## Day 1 Craft —Journal / Color Book

### Colors of the Church Year

#### Tools needed craft for both levels:

Scissors, colors and markers

Several Nails to start hole for brads

Upper— shallow bowls of water  
(Styrofoam/plastic bowls work okay  
for this 1-for each child)

Window colors

Purple

Black

Red

Green

#### **Before class Prep work**

##### Materials for craft for lower levels:

##### Color Book

Copy church graphic on cardstock

Plain card stock for back cover

Copy and cut out Church window  
pattern (1 ea color per child)  
purple, deep gray, red, green

Copy and cut out graphic circles or find  
stickers of similar pictures-1 set per child

Copy the daily lesson color page

Stickers (what you can find)

— lilies heart, flowers

Gold sequins, coffee grounds, glitter

Colored Brads or gold fasteners (5 each)

##### Instructions: Lower level Color book use in class for story color pages

1. Church cover page—
2. Color the doors then glue coffee grounds for door panels and roof edges (press unto glue w/scrap paper to make sure adheres to church roof and door)  
(if don't use color printer) Color window frames on the church book cover  
—or cut out window frames from construction paper, cello wrapping or cardstock  
Decorate windows with round graphics (if don't use color printer)  
Or—cut out colored window graphics and use those on church cover  
Glue sequins for door handle
2. Optional: Add decorative touches  
Stickers—Heart to center church cross, wreath on the doors,  
flowers on bushes under windows
3. Add copies of the Coloring Pages found in the daily lessons
4. Put book together with the fasteners or brads using a Phillips screw driver/needle to start hole for the brad to go through

##### Instructions: Upper level Lesson Journal use in class rest of week - notes / passages

To Make stickers from the graphics pages

- Cut out the window graphic—in squares is fine, only ink will remain on tape
- Cut One strip of tape 6" strip per child—
- Place the graphic side to tape on strip of clear packing tape  
\*tape side up-make sure no air pockets by rubbing with fingernail
- Place taped graphic in a shallow bowl of water and soak 10 minutes or so

1. Cut out church graphic and cut out the church shape from plain cardstock for back page
2. Color window of the church with markers (purple, black, red, green)
3. Color door then glue coffee grounds for door panels and roof (press unto glue w/scrap paper to make sure adheres to church roof and door)

TO Finish graphic stickers- take graphics from water and rub off all the paper,

Graphic stays on tape—place sticker graphic on each of the church windows

Add paper for pages , finish putting together with brad

(use punch, needle or small Phillips screw driver to start a hole to place brad through)

##### Materials for craft for upper levels:

##### Journal

Copy church graphic on cardstock

Plain card stock for back cover

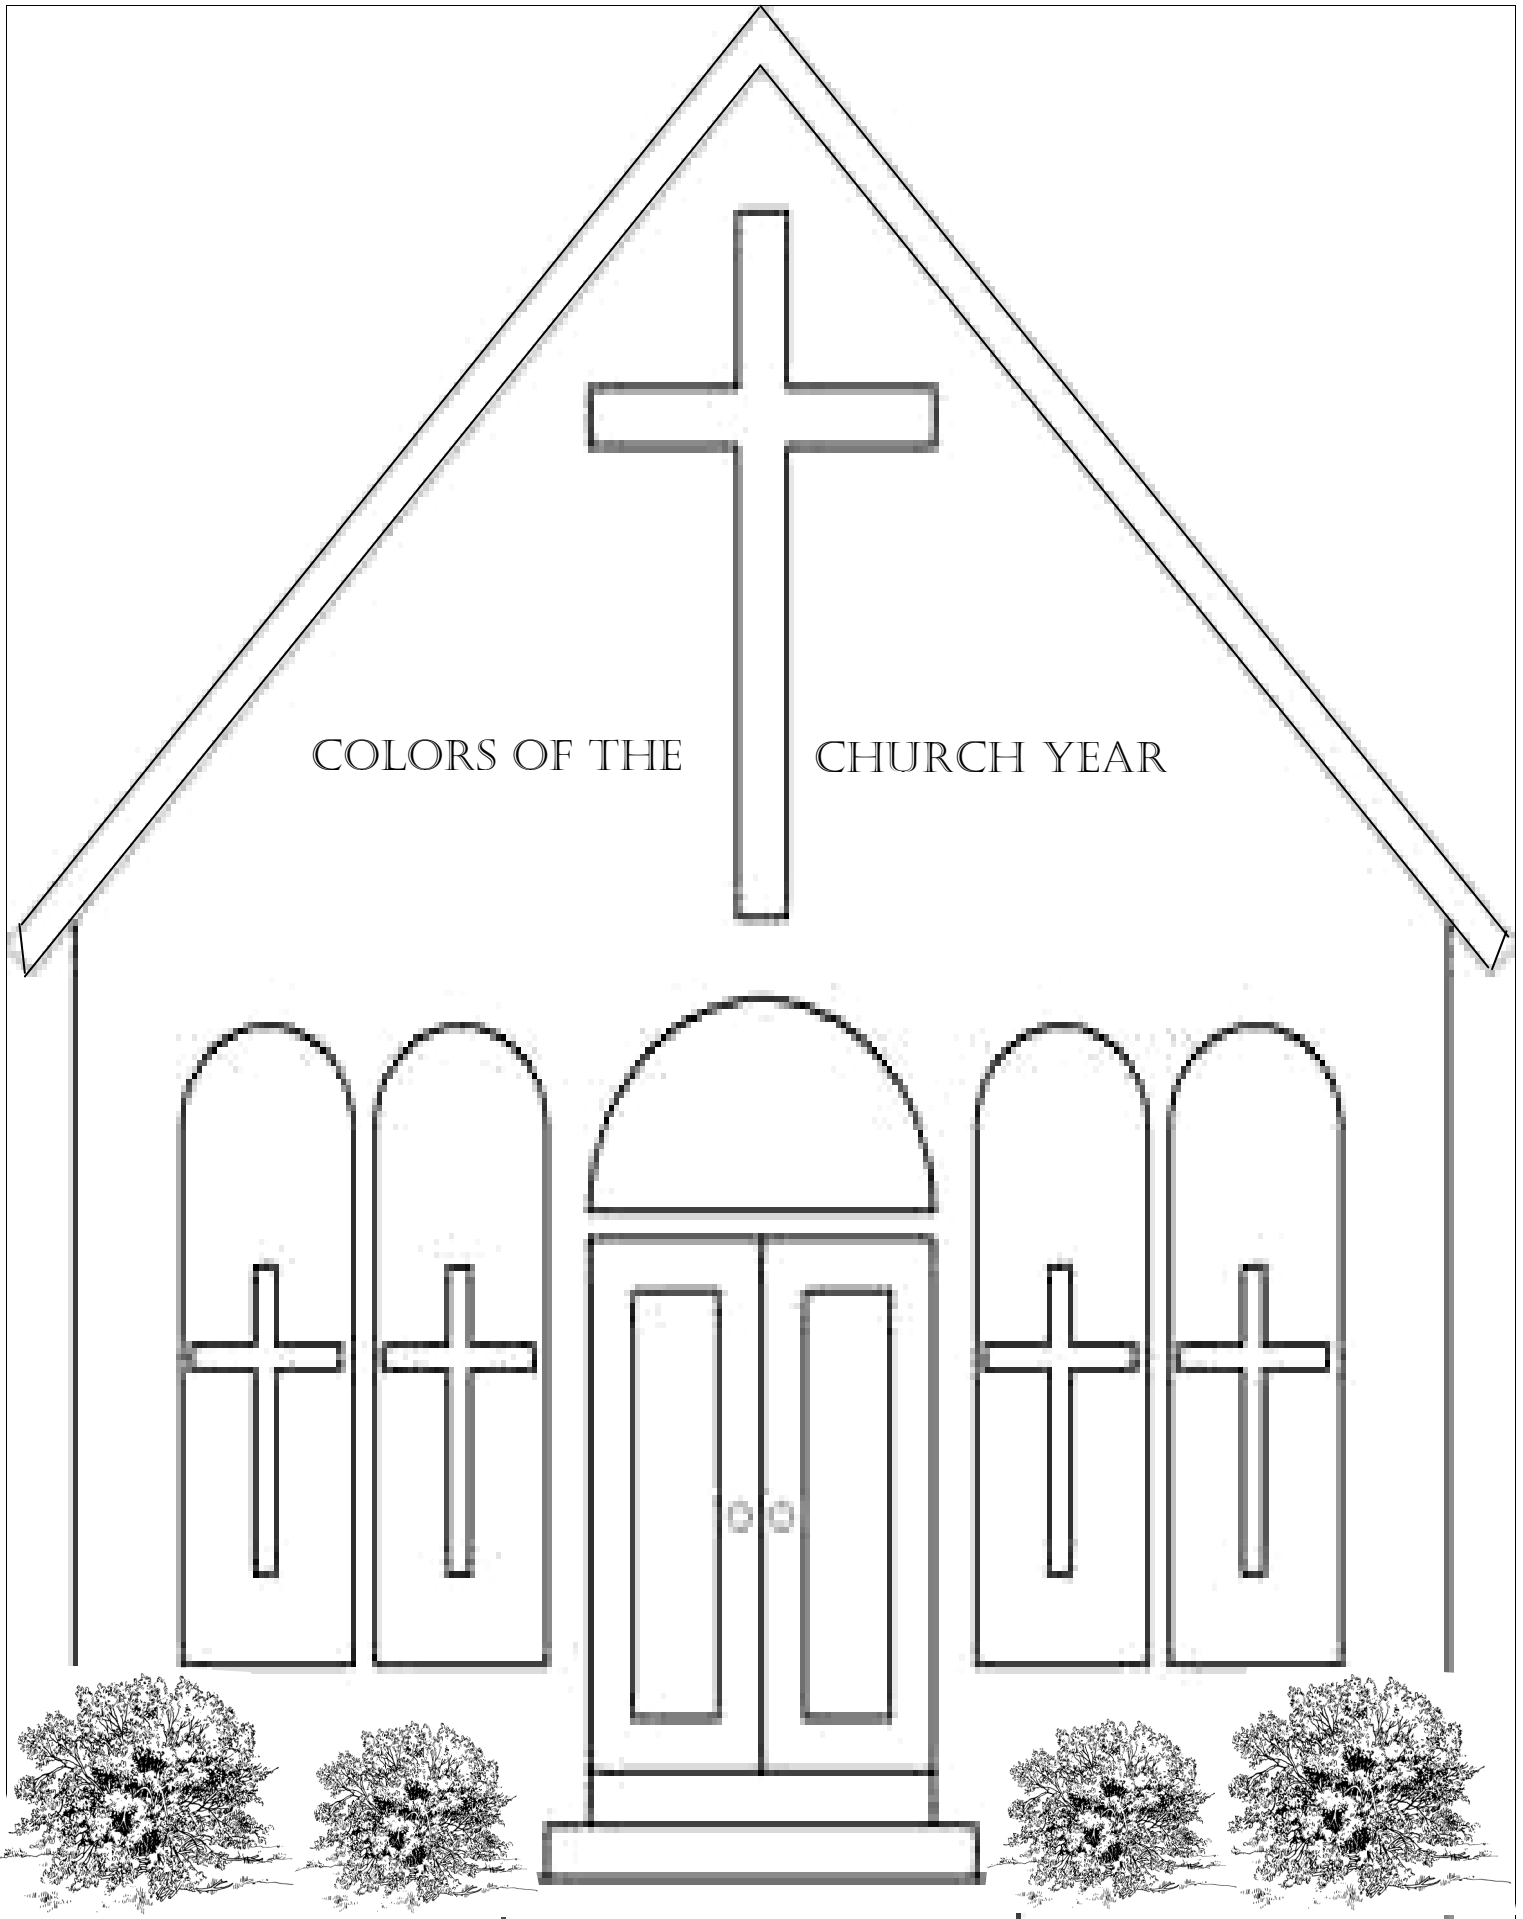

Copy and cut out Church window  
pattern (1 ea color per child)  
purple, deep gray, red, green

2 pieces paper for pages

Small graphics for windows

Clear shipping tape

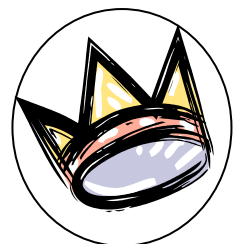

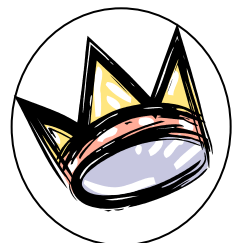

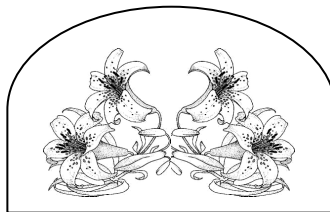

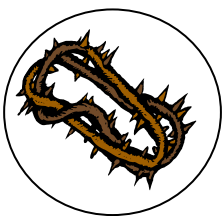

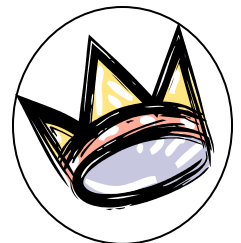

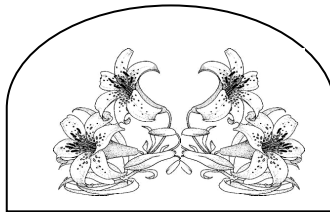

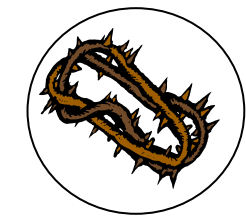

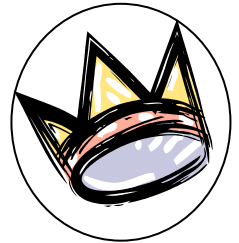

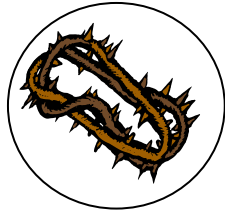

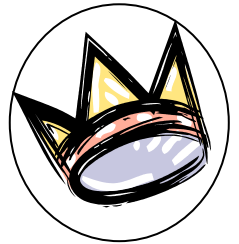

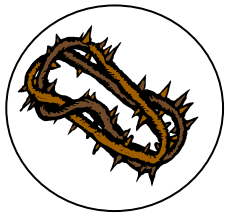

Brads (colored) or gold fasteners

COLORS OF THE

CHURCH YEAR

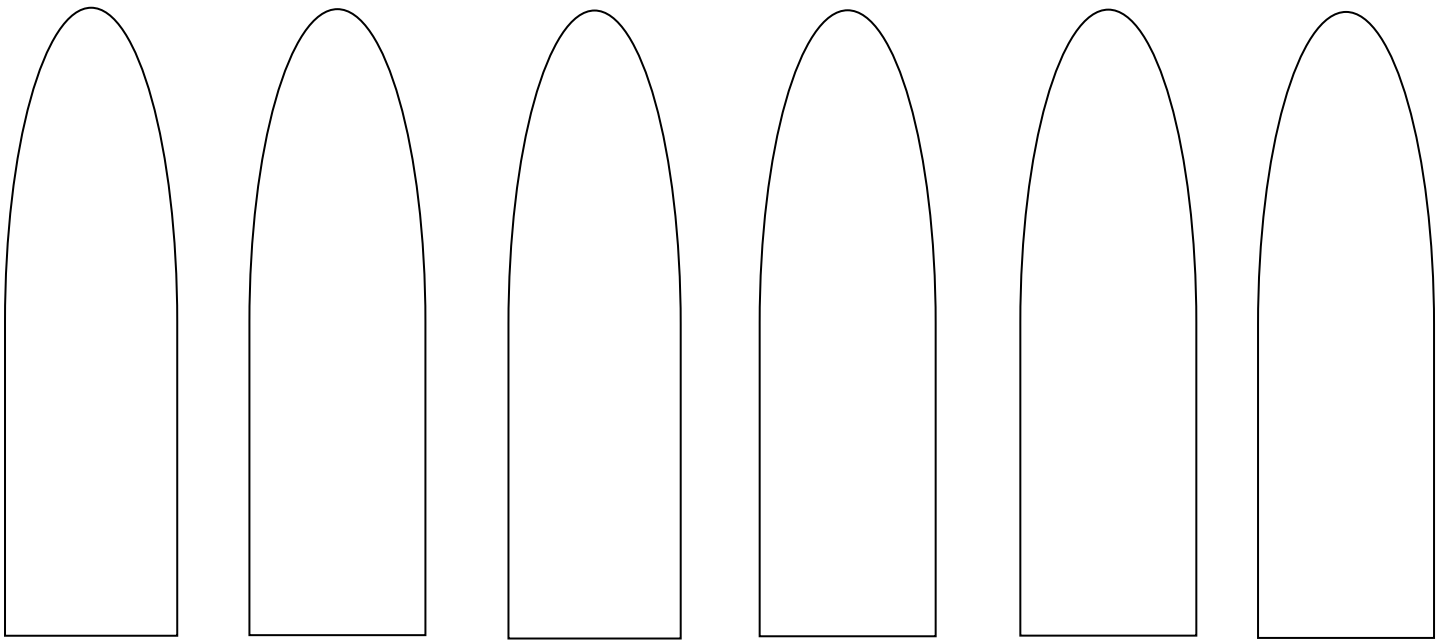

upper level graphics for windows—copy and cut out one set per child ( use for lower levels also if no color printer )

**Lower level** window graphics –copy and cut out windows **for use if no color printer available**

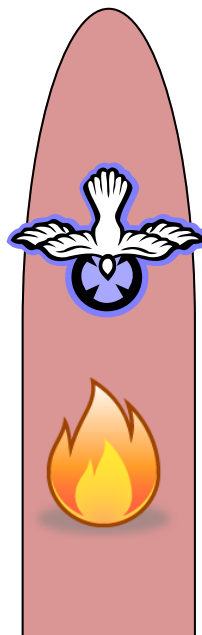

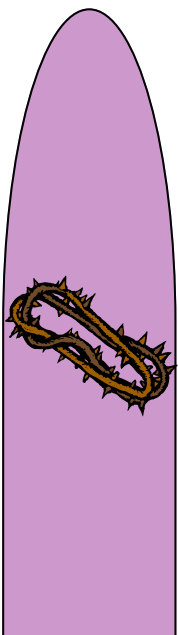

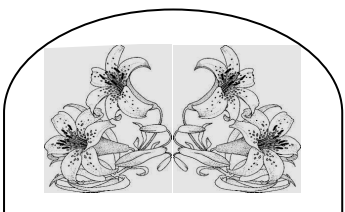

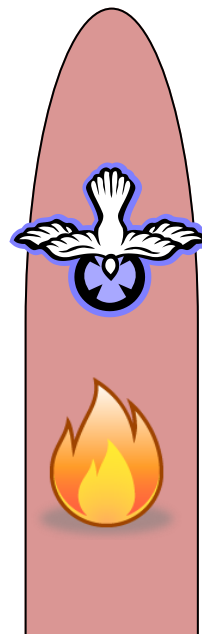

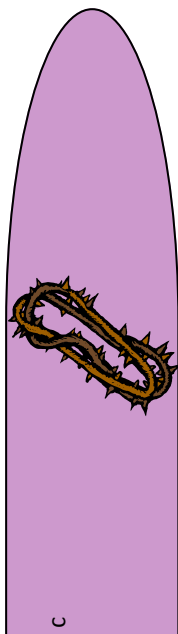

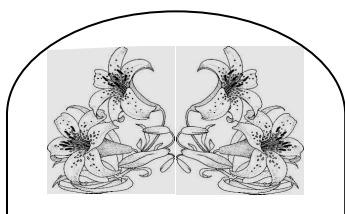

(you can also copy graphic on the colored paper red/dark grey or black /purple/green)

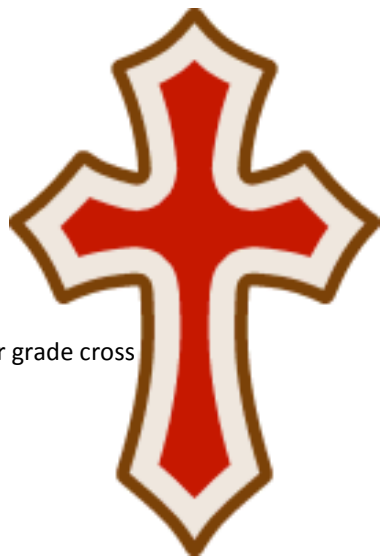

Cut out one window of each color (red, black, purple, green) per child for lower level classes

**Lower level** window graphics –copy and cut out windows if you have a color printer use this page

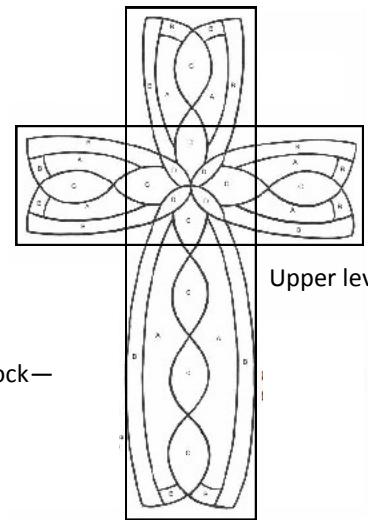

Cut out one window of each color (red, black, purple, green) per child for lower level classes

Lower grade cross

## Day 2 Craft—Cross Crucifixion of Christ

Upper level cross

### Tools needed craft for both levels:

This craft uses a fair amount of glue for the aquarium rock—  
also use quality Craft Glue or Elmers regular glue

Sponge makeup applicators (to apply glue fingers work

Scissors for upper grade level

Paper for catching excess sand -

using paper to also sprinkle the sand onto the glued area  
works well to channel sand where needed—upper level

### **Before class Prep work**

#### Materials for craft for lower levels: Sand cross

Sand art cross cutouts—1 large and  
1 small white cardstock

White and black sand –can mix with  
clear glitter for a sparkle effect

Outer brown construction paper cross

3D dots

Ribbon for use as hanger

#### Instructions: Lower level Sand art cross

1. Large middle Cardstock cross (middle white cross)
  - apply glue to the outer area only and sprinkle with white sand
2. Small center cardstock cross (small black(red) cross)
  - apply glue to the cross and sprinkle with black sand
3. Wide tape ribbon in loop to the brown construction paper cross to use as hanger  
tape in an area where the white cross will be glued—this will strengthen the hanger
4. Glue the white to the brown construction cross
5. Place 3D dots on the white sand cross center first then position the Black cross into  
center of white cross

#### Instructions: Upper level Stone art cross

1. Cut out both cardstock cross patterns
2. Loop jute or cord and tape in area that will be between the two cut out crosses to  
use as hanger
3. Use Craft glue to outline the center pattern on the graphics cross, outline with the  
jute (or gold cording )
4. Put a thick amount of glue in the center areas of outline and place tiny rock in each  
outlined area pressing down to make sure adhered to glue
5. Glue in areas outside the jute outline and sprinkle white sand and shake off excess
6. Glue outer cross area of graphic and sprinkle with black sand and shake off excess
7. Place 3D dot in center of plain cross then place finished cross on dot add dots to sev-  
eral more dots to ends of cross and press crosses together.

#### Materials for craft for upper levels: stone cross

Both Cardstock cross patterns

Gold Cording or jute (cheaper)

SAND —white and black

Tiny Black stone (aquarium rock)

3D dots

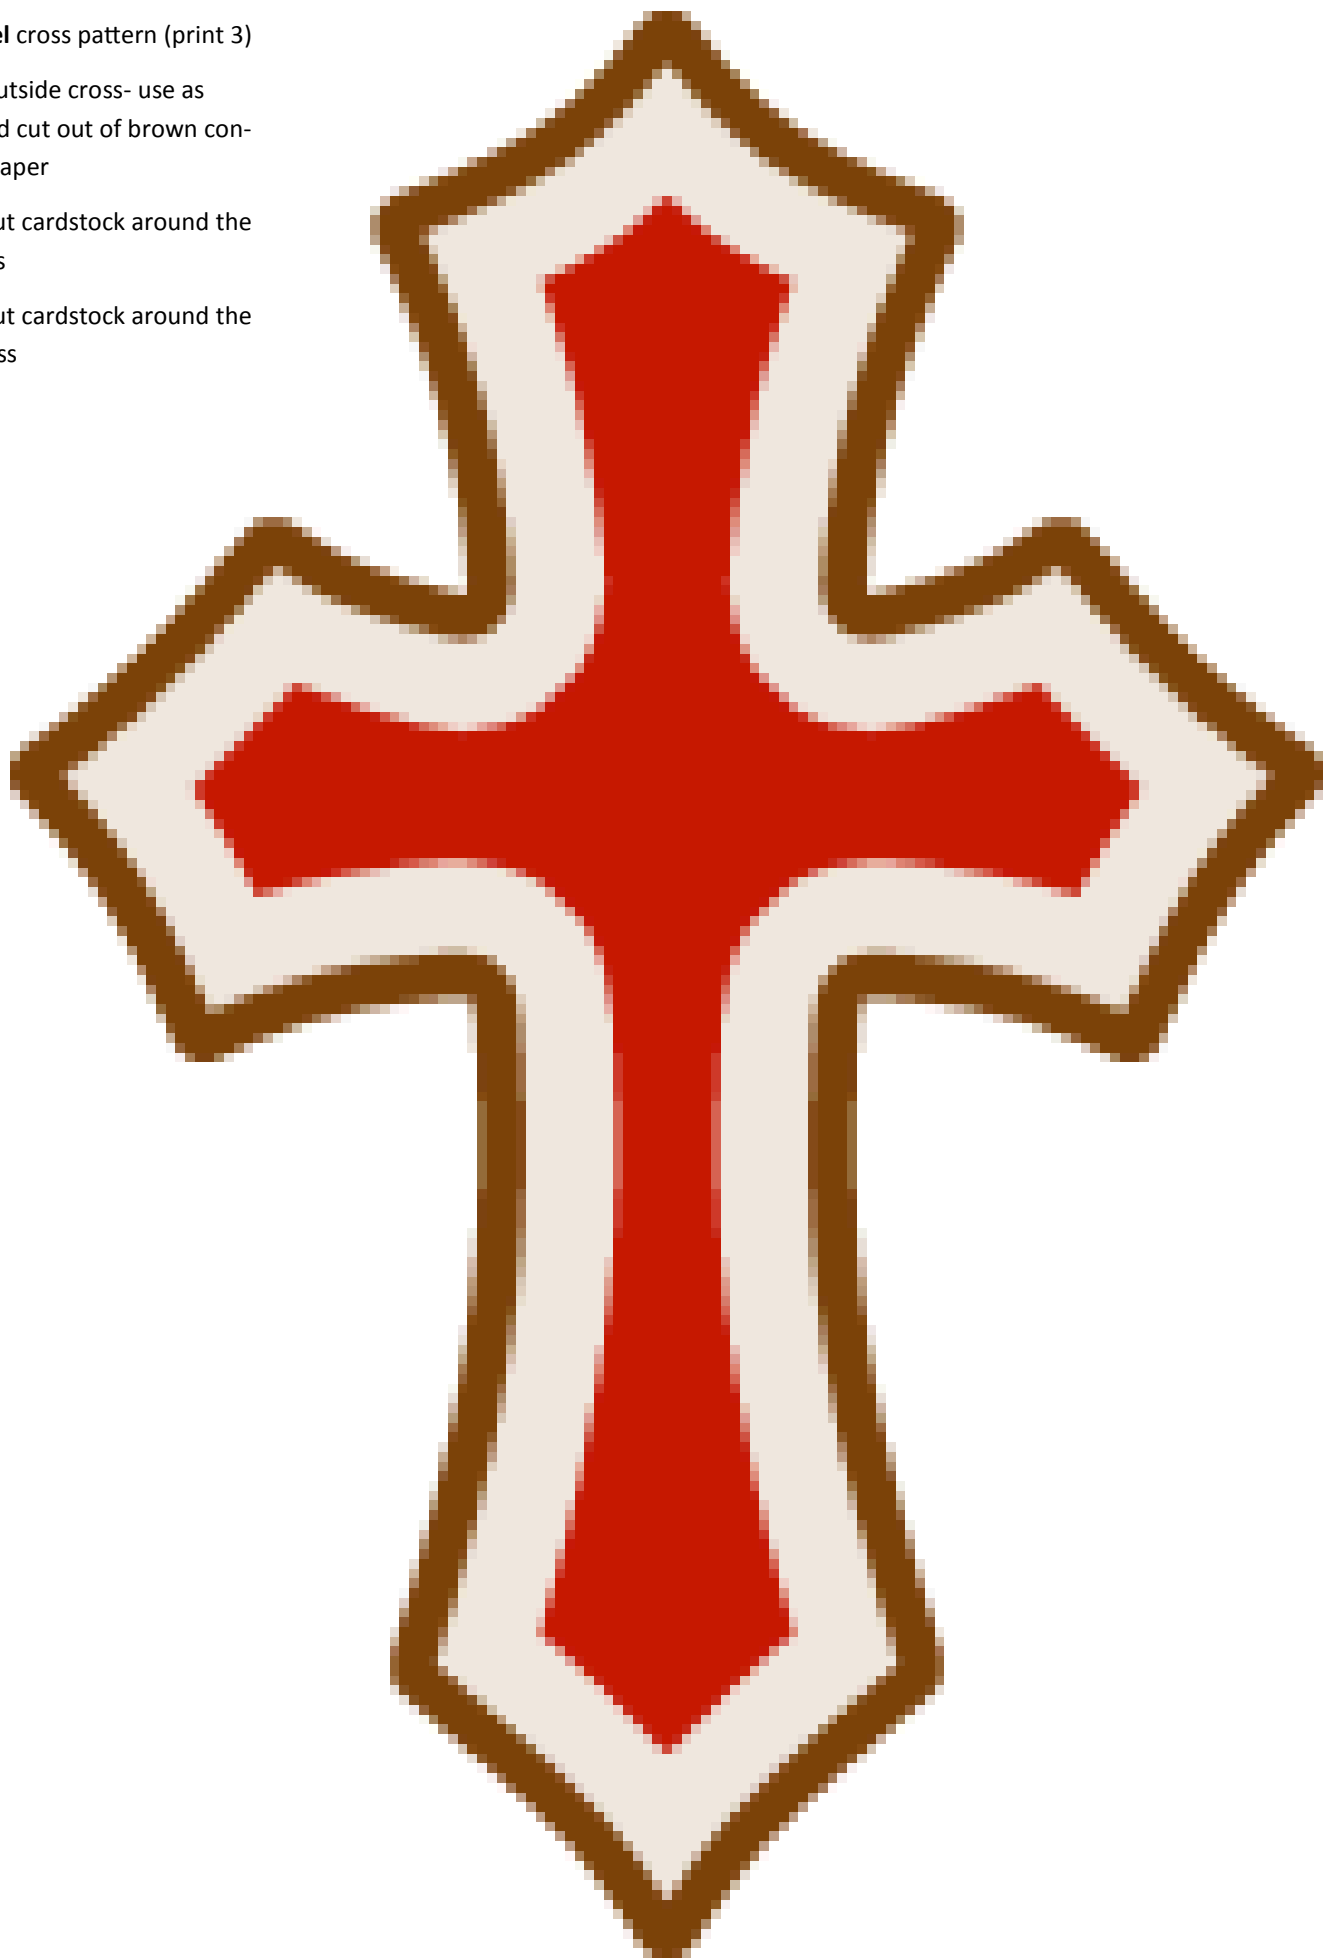

Ribbon to be used as hanger

**Lower level** cross pattern (print 3)

Copy 1—outside cross- use as pattern and cut out of brown construction paper

Copy 2—cut cardstock around the white cross

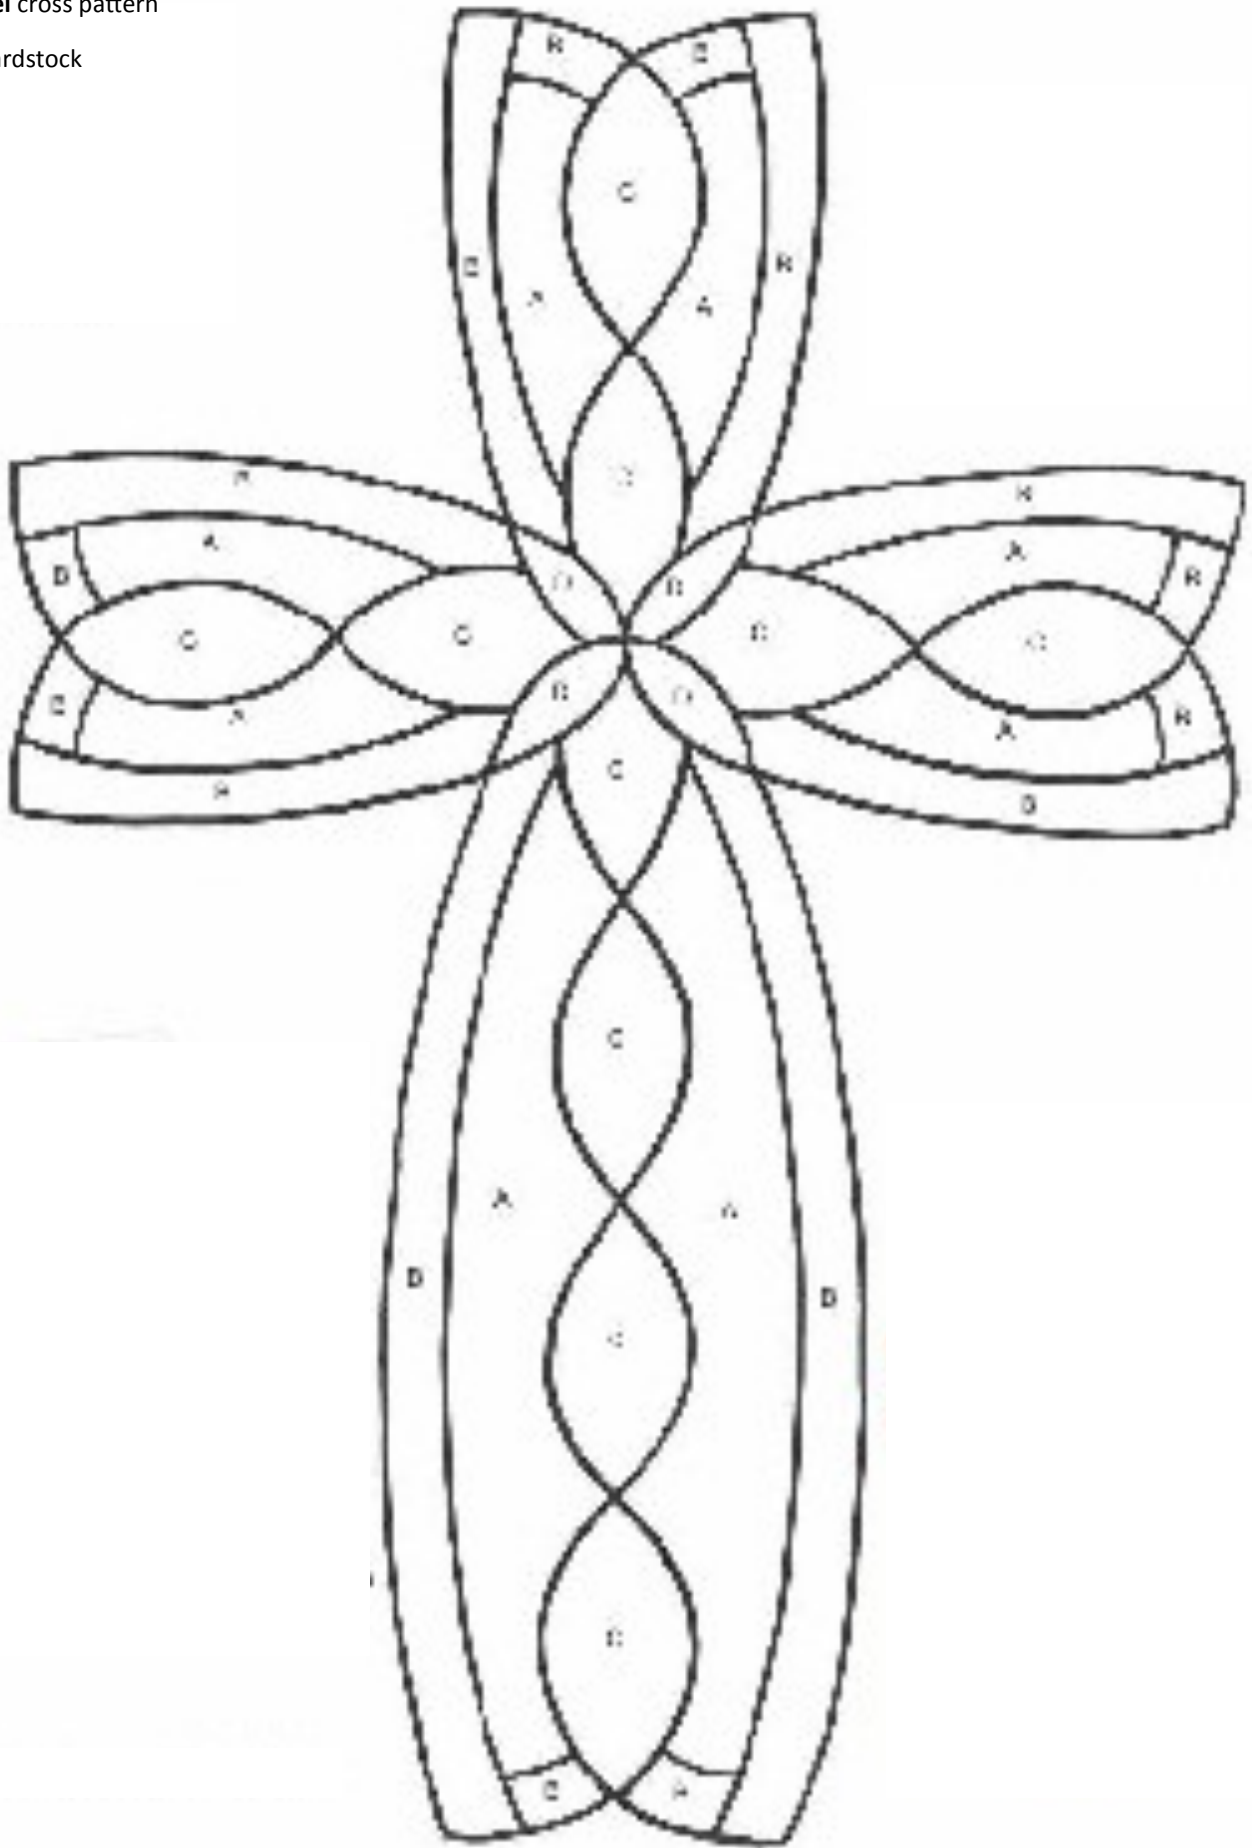

Copy 3—cut cardstock around the Center cross

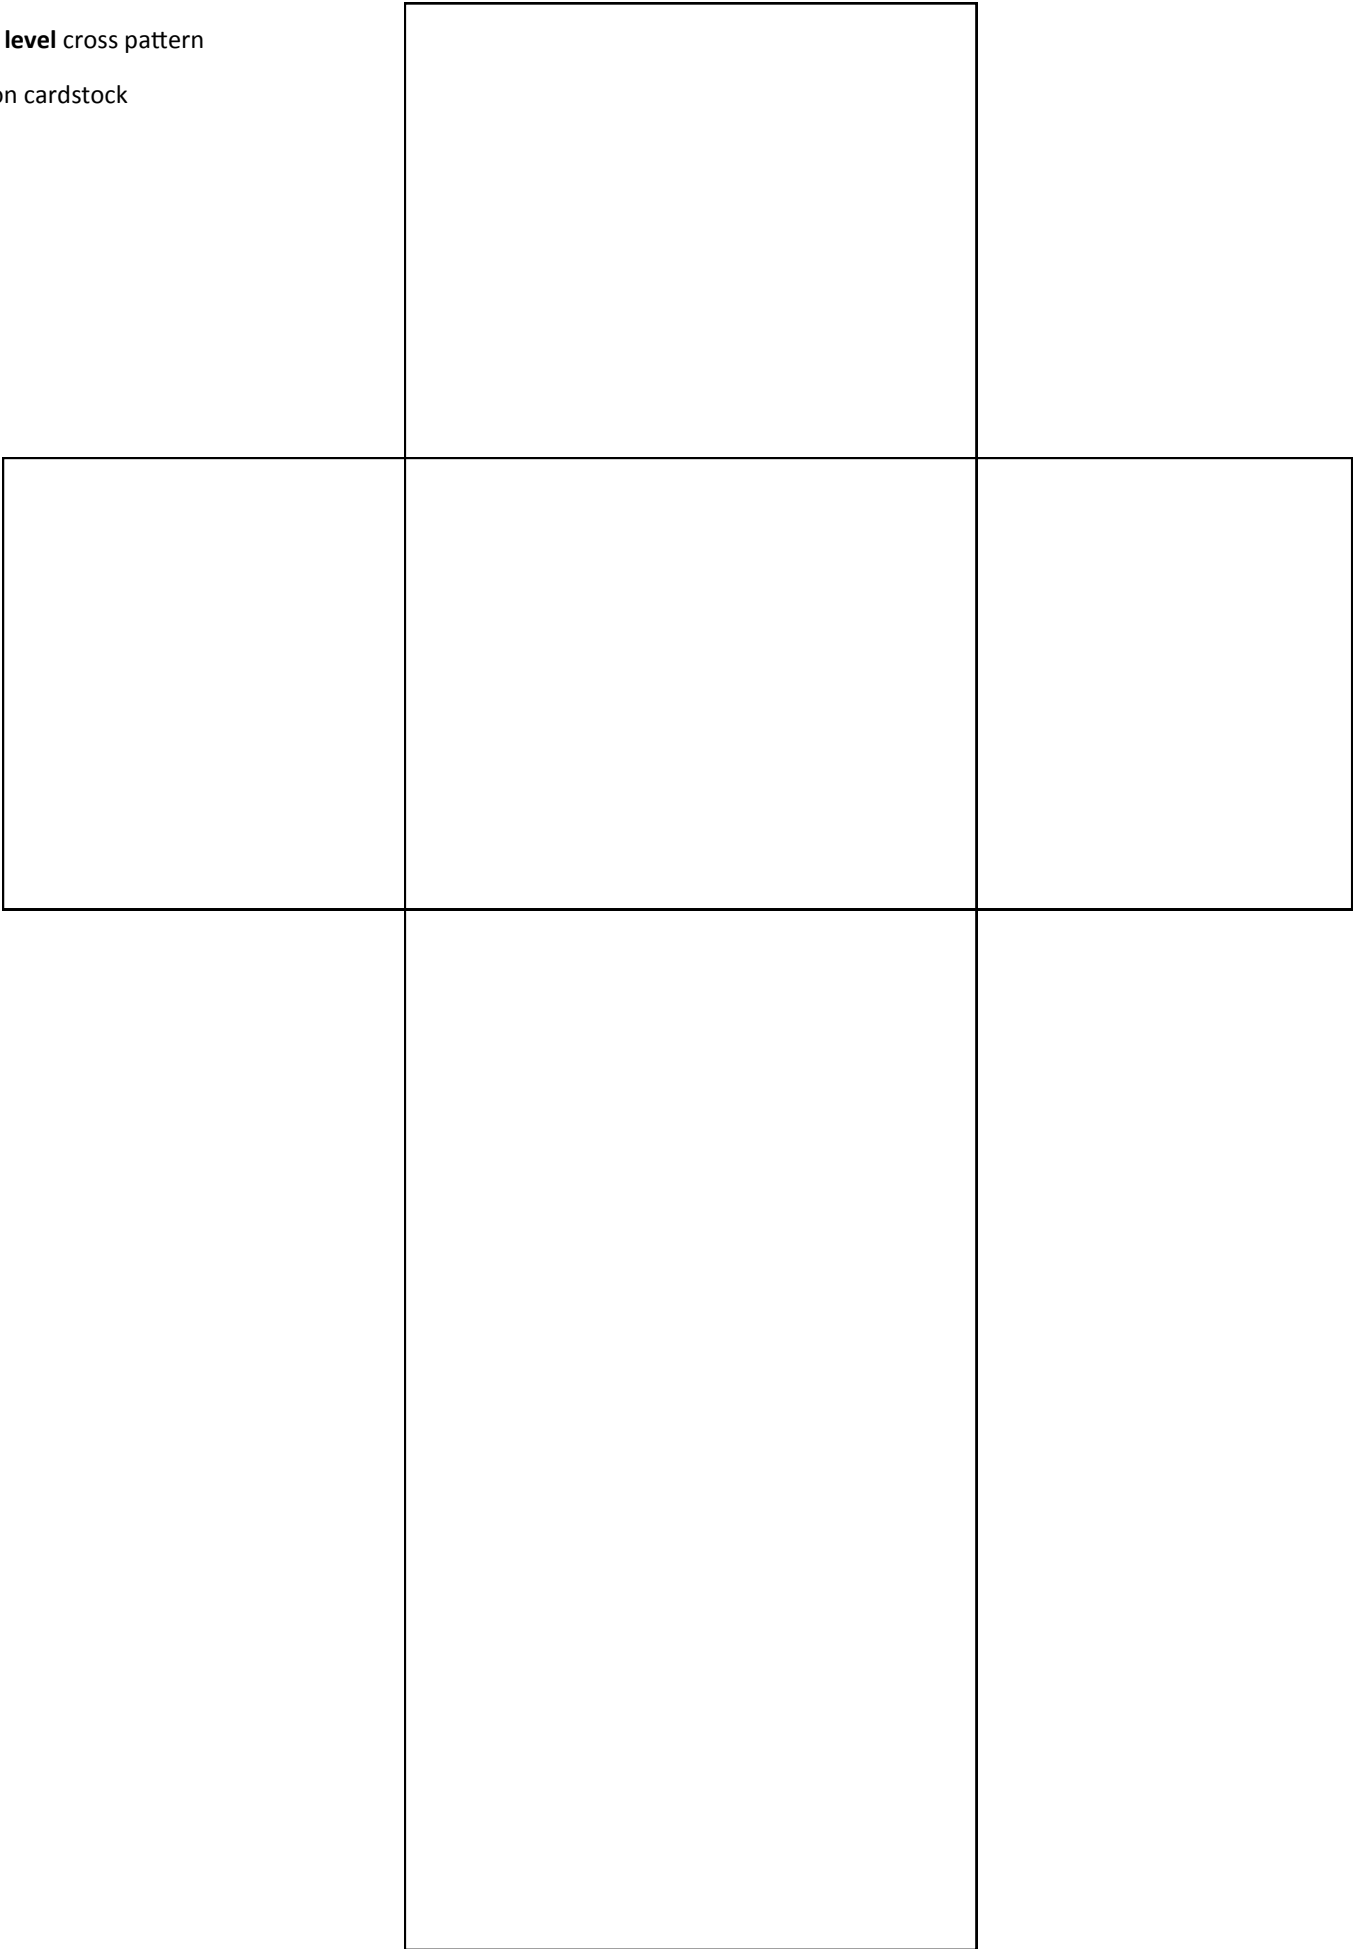

**Upper level** cross pattern

Copy on cardstock

Upper level cross pattern

Copy on cardstock

## Day 3 Craft—**Butterfly** Herb Planter

### Resurrection of Christ

#### Tools needed craft for both levels

Craft Glue or elmers regular glue

Scissors for upper grade level

Scoop for dirt

#### **Before class Prep work**

#### Materials for craft for all levels: Butterfly planter

Glad / Ziploc plastic storage container 1 -1/2 cup or 2 cup size—softer containers punch better than hard—punch 3holes in the bottom of the container use the cover for a saucer under the planter

White sparkle paper (scrapbook area) or foam squares to create a mosaic on the outside of the container

Butterfly stickers or confetti of different kinds can use butterfly graphics

Copy HE IS RISEN on to white paper

White or gold prism ribbon

Potting soil

Herb seeds

#### Instructions: All level Butterfly planter

1. Cut out and glue the HE IS RISEN sign onto one side of container
2. Glue paper or other materials onto the other 3 sides container until fully covered (can use several different elements for a more dramatic effect)
3. Glue Ribbon around center on the 3-mosaic sides
4. Decorate the pot with butterfly stickers and butterfly cutouts from graphic page—the graphics give a 3d effect by gluing center and curling wings
5. Add potting soil and plant seeds ( can also use peat moss pots for dirt and seeds )—add water

HE IS  
RISEN

HE IS  
RISEN

HE IS  
RISEN

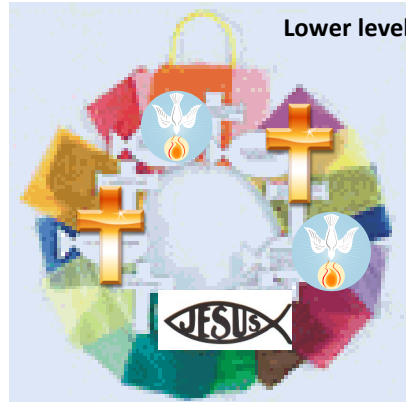

HE IS  
RISEN

Upper level

## Day 4 Craft—stain glass effects Pentecost

Lower level

### Tools needed craft for both levels:

Glue

for upper grade level

Sponge applicator for paint

Paper plates for paint

Black marker

### **Before class Prep work**

#### Materials for craft for lower levels:

##### Stain glass wreath

Paper Plates—center cut out

Streamers or Tissue paper—yellow, red, orange cut into squares

Dove graphics cut out

Cross sticker and Jesus Sticker

Red, yellow, and orange yarn—12” lengths or red ribbon

#### Materials for craft for upper levels:

##### Stained glass

Copy oval pattern on card stock

1 per child = DO NOT CUT OUT OVAL

3 Copies of pattern to cardstock then cut out the pattern to form a full sheet stencil:

—one stencil has the dark areas cut out

—one with the grey areas cut out

—one with the light areas cut out

Largest Oval pattern on Red cardstock

1 per child

Black sticky back gems or sequins (2) and black marker

Crystal or red/gold glitter

Ribbon or paper clip hanger

#### Instructions: Lower level stain glass wreath

1. Glue tissue paper squares all over the paper plate wreath
2. Decorate wreath by gluing the stickers and dove graphics around the wreath
3. Older can braid ribbon first—punch a hole in the top of wreath and tie the ribbon as hanger

#### Instructions: Upper level Stained Glass effect painting

1. Pour small amount of each paint color out on the paper plate
2. Place a stencil on cardstock. Use applicator to dab in paint color and dab on stencil cut out areas to create flame (can sprinkle pinch of crystal glitter on wet paint to give a glimmer) Doesn't matter which stencil you place first.

#### **LET PAINT DRY for few seconds in BETWEEN COLORS**

- Place 1st stencil on cardstock and dab with paint color indicated on stencil
  - Place 2nd stencil on cardstock and dab with paint color indicated on stencil
  - Place 3rd stencil on cardstock and dab with paint color indicated on stencil
  - After all stencils used—add glue stick sweeps to areas in flame if want to add glitter. I used gold and red glitter mixed together
3. In the dove shape in center of flame, add Tiny gem stone or marker for eyes, draw beak and feet with marker
  4. Cut the red oval to use as frame for finished picture
  5. Tape ribbon on red oval to use for hanging = place in between red and painted
  6. Cut around oval shape on dried painted picture and glue to red oval

Make 3 copies on cardstock and cut out colored areas to be use for stencil—cut only the red out on one, only the orange on one, only the yellow on one You will need enough stencils cut out so each child can be using one—(example: if 5 children cut out 2 of each stencil)

Cut out only the darkest colored shapes

## RED STENCIL

Cut out only the medium colored shapes

## ORANGE STENCIL

Cut out only the lightest colored shapes

## YELLOW STENCIL

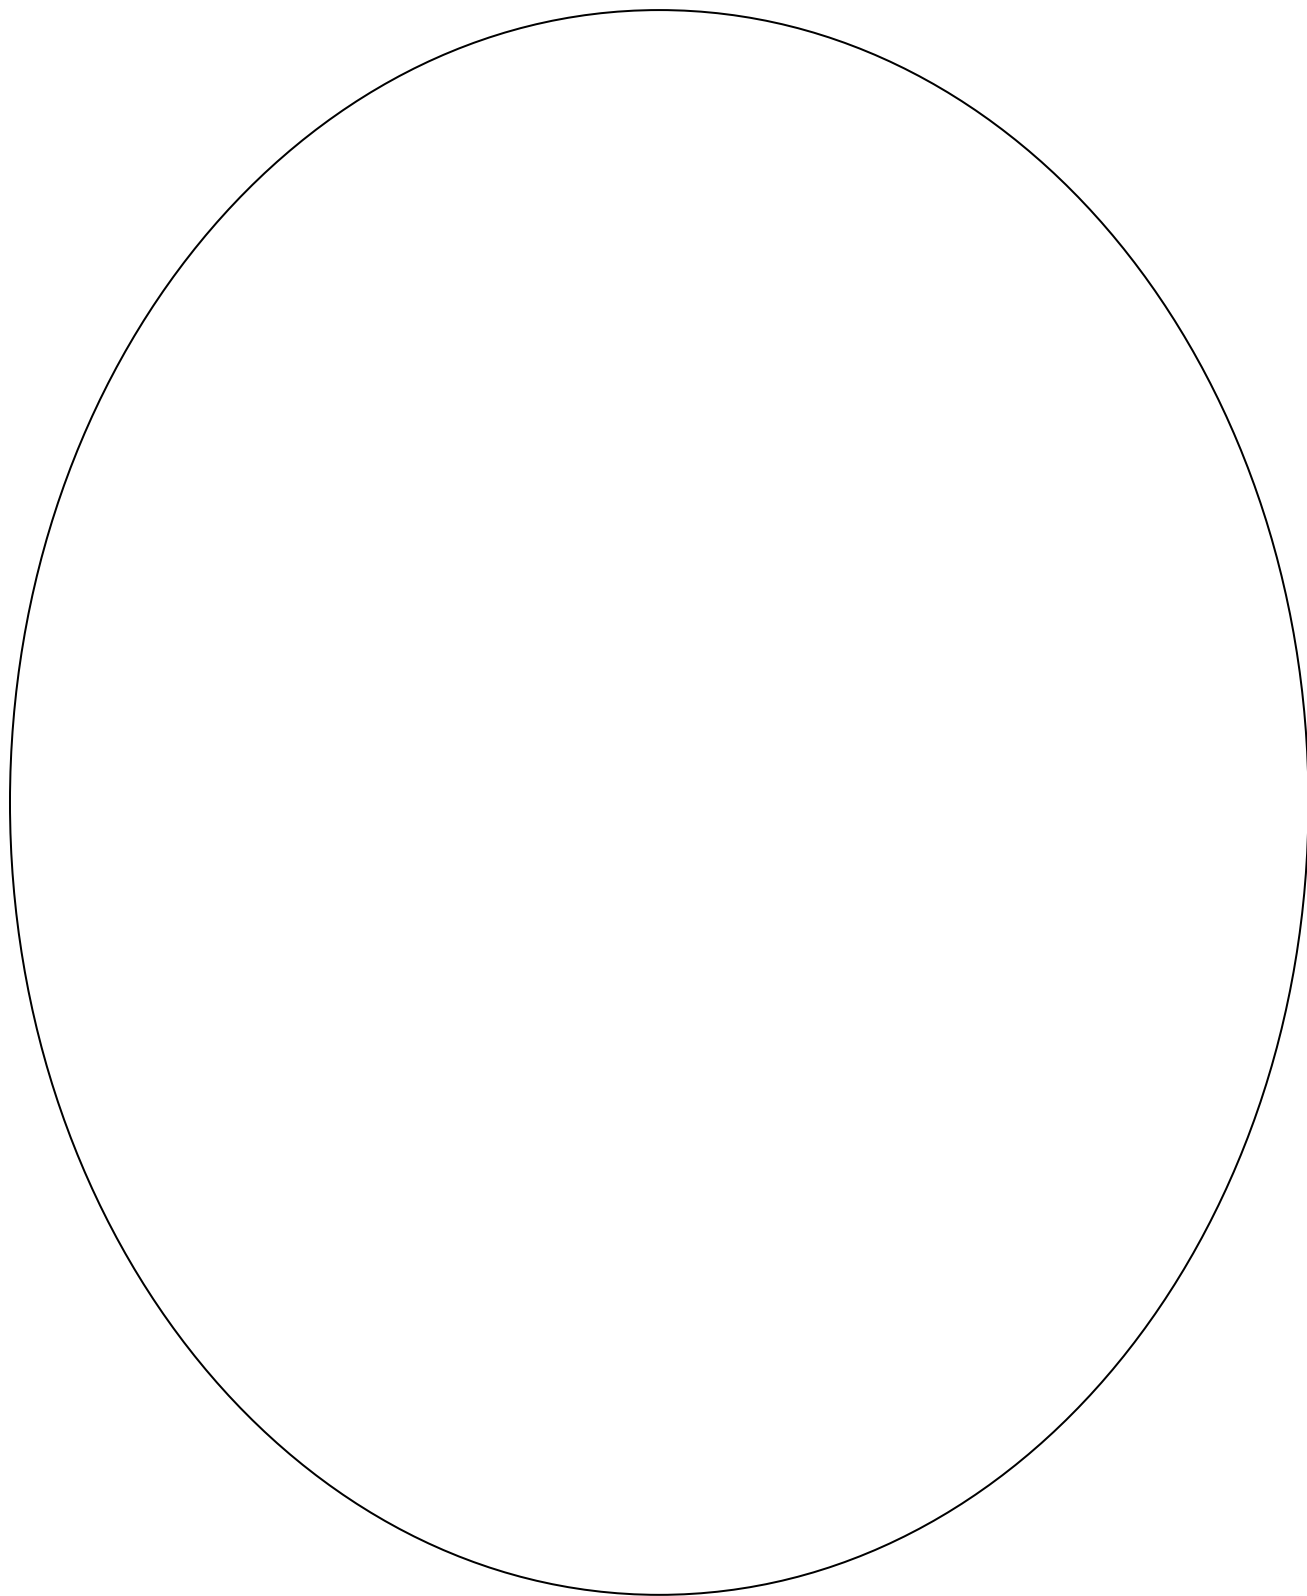

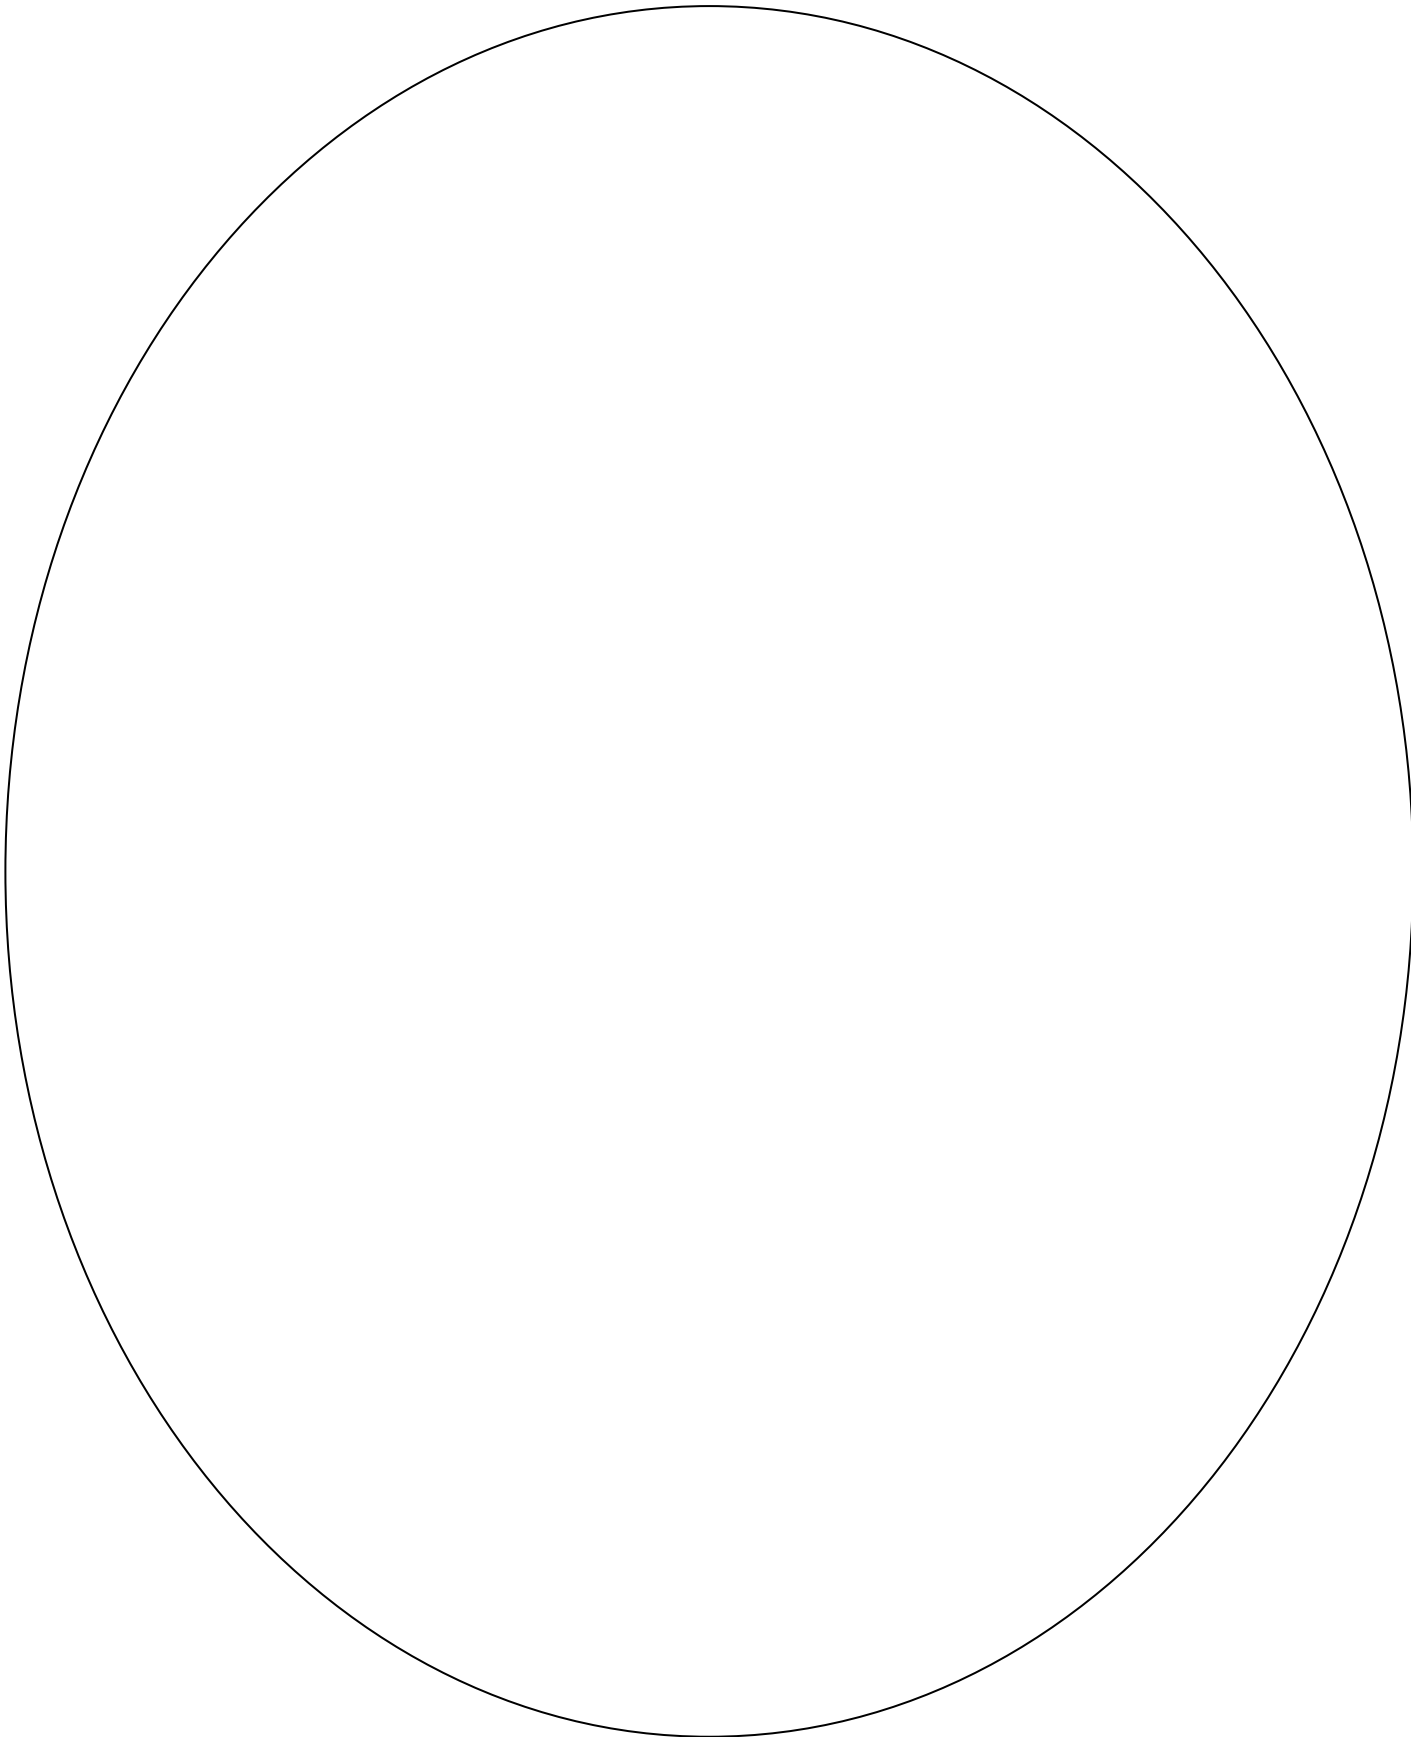

Upper level– copy on white card stock

DO NOT CUT OUT until finished with all paint colors

Oval is area where stenciling will take place

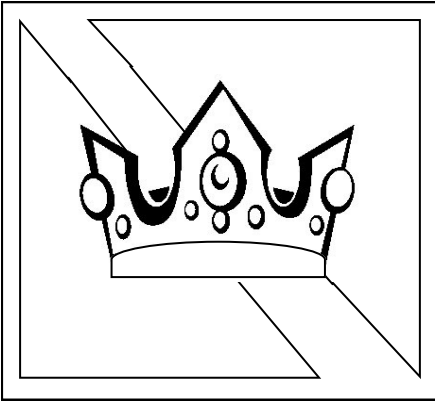

Red cardstock oval

Lower level graphic—copy and cut out

## Day 5 Craft—Grace of God

### Throne of God

Tools needed craft for both levels

Craft Glue or elmers regular glue

Scissors for upper grade level

#### Before class Prep work

Materials for craft for lower levels:  
eternal crown

Plain cardstock crowns –can purchase crowns from oriental trading or use 2-3 of crown pattern cut out

Gold and silver sequins

Sequins and gem stones

Child of God graphic

#### Instructions: Lower level Eternal Crown

1. One crown per child— measure to fit child's head
2. Place the child of God sticker in the center of the crown
3. Write Childs name on sticker—or—get alphabet stickers to spell name out on crown
4. Decorate with different gem stones
5. Cover rest of crown with gold and silver sequins

Materials for craft for upper levels:  
eternal crown plaque

Cardstock patterns:

Square—2 Triangles—  
small crown & strip

Green marble shelf paper - or -  
Substitute metallic green paper

Wood grained shelf paper

3D Dots (scrapbook section)

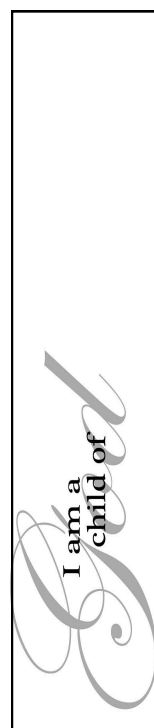

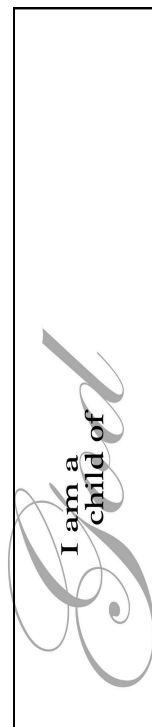

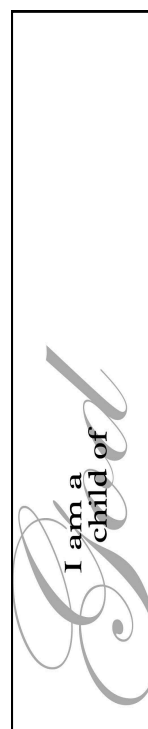

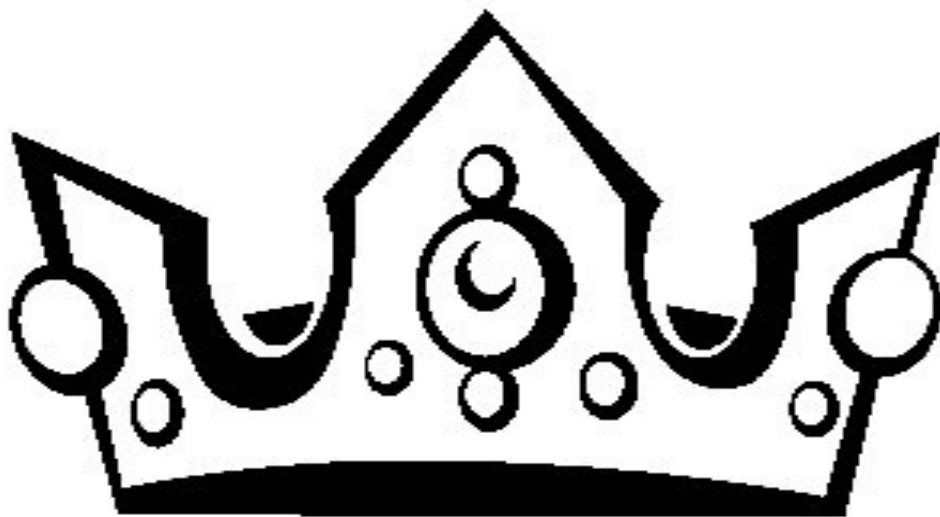

Sequins and gem stones

Child of God strip

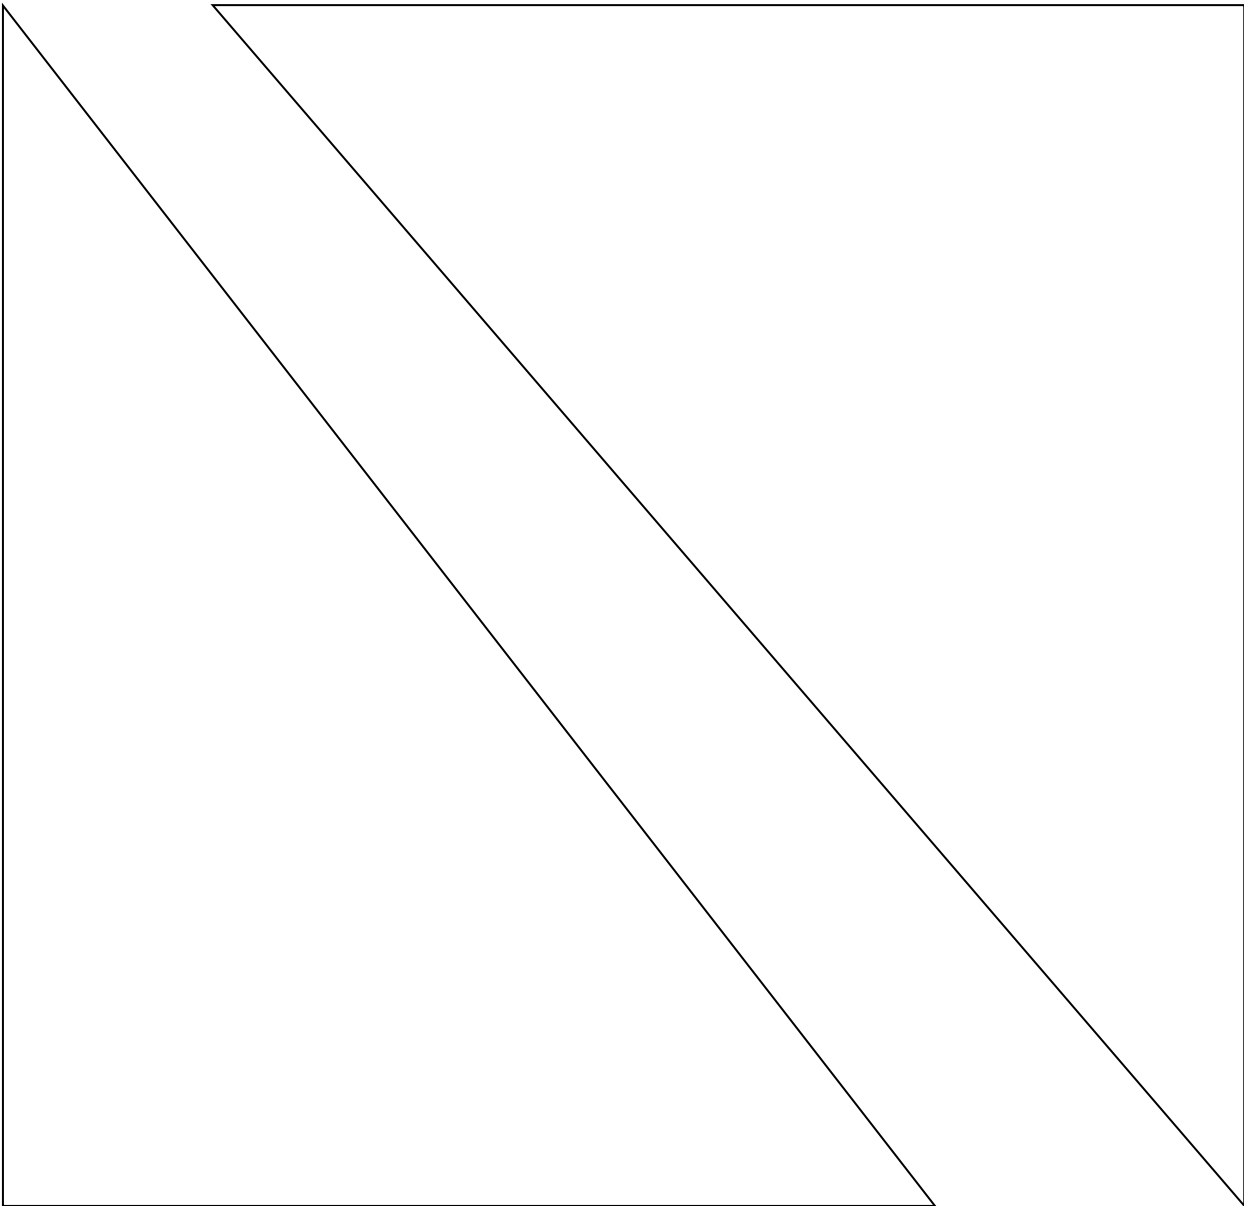

Sturdy tape / paper clips

#### Instructions: Upper level Eternal Crown wall plaque

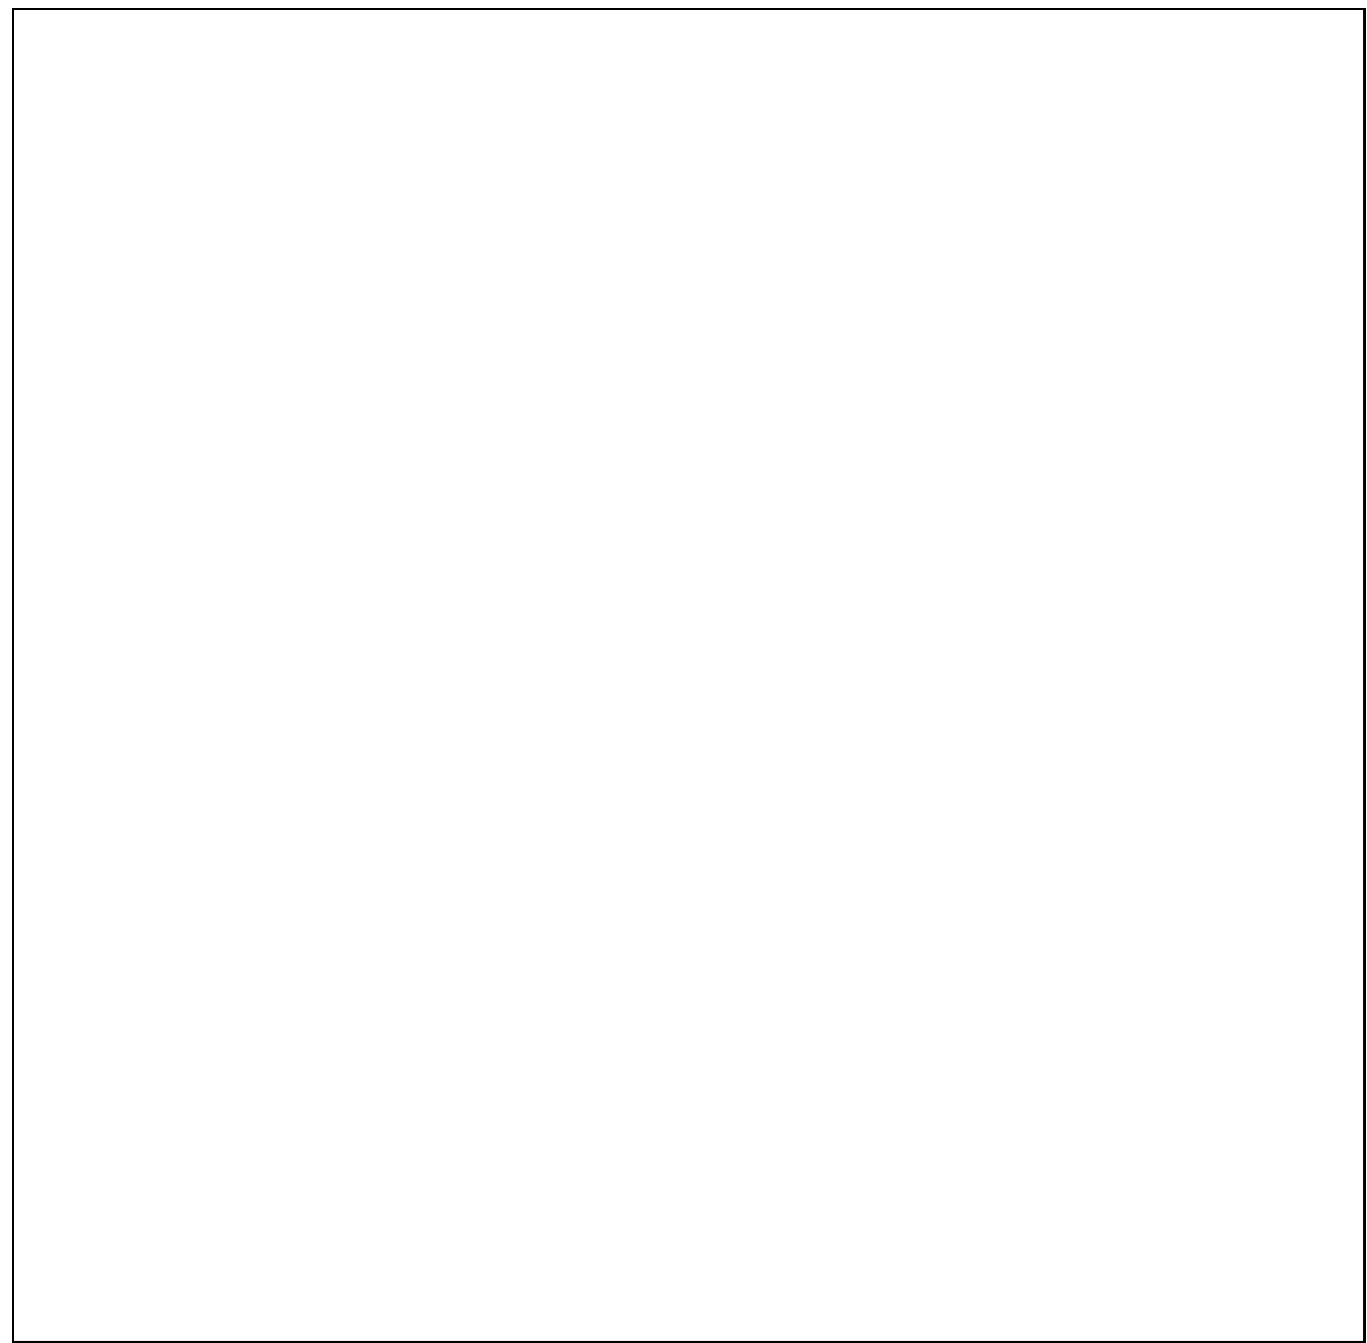

1. Cut out and cover the square with wood grained shelf paper cover top first and tape paper clip to back side before covering the back side
2. Cut out and cover both triangular shapes with green paper –both sides
3. Using the 3-D dots in each corner, place the triangles onto the wood grained square
4. Using 3-D Dots on each side of crown, place crown in center of the plaque.
5. Decorate the crown:  
Decorate the crown with the sequins, gems  
Have child write name on child of god strip and glue under the crown

Upper Level triangles

Upper Level square pattern

Lower level crown pattern

2-3 per child depending on  
head size
