### *What is a "Lutheran?"*

- There are so many churches in our day; sorting them all out can be quite confusing! In fact, there are different kinds of "Lutherans," and the term means different things to different people.
- What "Lutheran" originally meant – and what it still means here at Bethel – can be summed up with three basic ideas about how we are given eternal life:

- † **Grace Alone** – Heaven's doors are open to us, not because of what *we* do for *God*, but because of what *HE* has done for *us* through Jesus Christ's death and resurrection.
- † **Faith Alone** – Being a Christian doesn't consist of following man-made rules, nor is it merely "head-knowledge" about God. It means having a heart which rests on Christ, who is the only way of salvation.
- † **Scripture Alone** – The only reliable way to find out what God says is through the Bible – not by human ideas, not by human traditions, and not by an imaginary "inner light."
