Day 1 Craft —Journal / Color Book

Colors of the Church Year

Window colors

Purple

Black

Red

Green

Tools needed craft for both levels:

Scissors, colors and markers

Several Nails to start hole for brads

Upper– shallow bowls of water
(Styrofoam/plastic bowls work okay
for this 1-for each child)

Before class Prep work

Materials for craft for lower levels:

Color Book

Copy church graphic on cardstock

Plain card stock for back cover

Copy and cut out Church window

pattern (1 ea color per child)

purple, deep gray, red, green

Copy and cut out graphic circles or find

stickers of similar pictures-1 set per child

Copy the daily lesson color page

Stickers (what you can find)

— lilies heart, bushes and flowers

Gold sequins, coffee grounds, glitter

Colored Brads or gold fasteners (5 each)

Instructions: Lower level Color book use in class for story color pages

1. Church cover page—
Color the doors = or glue coffee grounds for door panels and roof
Glue colored windows frames on the church cover
Decorate windows with round graphics
Glue sequins for door handle
2. Optional: Add decorative touches
Stickers—Heart to center church cross, lilies above door,
bushes or flowers under windows
3. Add copies of the Coloring Pages found in the daily lessons
4. Put book together with the fasteners or brads

Materials for craft for upper levels:

Journal

Copy church graphic on cardstock

Plain card stock for back cover

Copy and cut out Church window

pattern (1 ea color per child)

purple, deep gray, red, green

2 pieces paper for pages

Small graphics for windows

Clear shipping tape

Stickers of plants, bushes

Brads (colored) or gold fasteners

Instructions: Upper level Lesson Journal use in class rest of week - notes / passages

1. Cut out church graphic and cut out the church shape from plain cardstock for back page
2. To Make stickers from the graphics pages
 - Cut out the window graphic—in squares is fine, only ink will remain on tape
 - Cover the graphic side with strip of clear packing tape
 - Place taped graphic in a shallow bowl of water and soak 10 minutes or so
3. Color and decorate church with stickers of bushes and plants,
4. Glue coffee grounds for door panels and roof
5. Cut out windows from the colored paper and glue to church (purple, black, red, green)
6. TO Finish graphic stickers- take graphics from water and rub off all the paper, Graphic stays on tape—place sticker graphic on each of the church windows
7. Add paper for pages , finish putting together with brads

COLORS OF THE CHURCH YEAR

Lower level graphics for windows—copy and cut out one set per child

Lower and upper level window graphics –copy on cardstock for a pattern to cut out windows from colored paper

Colored/construction paper for windows (you can also copy graphic on the colored paper red/black/purple/green)

Cut out one window of each color (red, black, purple, green) per child for lower level classes - Upper classes can cut out their own

Upper level window graphics—1 set per child will need to be cut apart—just in squares is fine

Lower grade cross

Day 2 Craft—Cross Crucifixion of Christ

Upper level cross

Tools needed craft for both levels:

This craft uses a fair amount of glue for the aquarium rock—also use quality Craft Glue or Elmers regular glue

Sponge makeup applicators (to apply glue)

Scissors for upper grade level

Before class Prep work

Materials for craft for lower levels:

Sand cross

Sand art cross cutouts—1 large and 1 small white cardstock

White and black sand –can mix with clear glitter for a sparkle effect

Outer brown construction paper cross

Ribbon for use as hanger

Instructions: Lower level Sand art cross

1. Large middle Cardstock cross (middle white cross)
 - apply glue to the outer area only and sprinkle with white sand
2. Small center cardstock cross (small black(red) cross)
 - apply glue to the cross and sprinkle with black sand
3. Glue center of white sand cross and glue the Black cross into center of white cross
4. Glue ribbon in loop to the brown construction paper cross to use as hanger
5. Glue the white and black cross to the brown construction cross

Materials for craft for upper levels:

stone cross

Both Cardstock cross patterns

Gold Cording

Small Aquarium rock—white and black (can substitute sand)

Ribbon to be used as hanger

Instructions: Upper level Stone art cross

1. Cut out both cardstock cross patterns
2. Loop ribbon and glue in between the two cut out crosses to use as hanger
3. Outline the pattern on the top cross with cording and around outside of cross
4. Put a thick amount of glue in the areas of outlined areas of the cross pattern
5. Add in white or black rock into the different areas and press down suggest that center loops of cross use black / use white on outside
6. Do small areas at a time—continue to glue and set rock until cross completed

Lower level cross pattern (print 3)

Copy 1—outside cross- use as pattern and cut out of brown construction paper

Copy 2—cut cardstock around the white cross

Copy 3—cut cardstock around the Center cross

Upper level cross pattern

Copy on cardstock

Upper level cross pattern

Copy on cardstock

Day 3 Craft—**Butterfly** Herb Planter
Resurrection of Christ

Tools needed craft for both levels

Craft Glue or elmers regular glue

Sponge makeup applicators (to apply glue)

Scissors for upper grade level

Scoop for dirt

Before class Prep work

Materials for craft for all levels: Butterfly planter

Glad / Ziploc plastic storage container
1-1/2 cup or 2 cup size—punch 3holes
in the bottom of the container

Pastel Colored round confetti—
enough to cover container (can also
substitute white sequins)

Butterfly stickers different kinds

Copy HE IS RISEN and butterfly graph-
ics below on to white paper

White ribbon

Potting soil

Herb seeds

Instructions: All level Butterfly planter

1. Glue round confetti/sequins until the large container is fully covered
2. Cut out and glue the HE IS RISEN sign onto pot
3. Decorate the pot with butterfly stickers and butterfly cutouts from graphic page—the graphics give a 3d effect by gluing center and curling wings
4. Glue white ribbon around the top of the container
5. Add potting soil and plant seeds—add water

H E I S
R I S E N

Upper level

Day 4 Craft—stain glass effects
Pentecost

Lower level

Tools needed craft for both levels:

Glue

for upper grade level

Sponge applicator for paint

Paper plates for paint

Black marker

Before class Prep work

Materials for craft for lower levels:

Stain glass wreath

Paper Plates—center cut out

Tissue paper—yellow, red, orange cut into squares

Dove graphics cut out

Cross sticker and Jesus Sticker

Red, yellow, and orange yarn—12” lengths

- Instructions: **Lower level stain glass wreath**
1. Crumple and straighten tissue paper for texture
 2. Glue tissue paper squares all over the paper plate wreath
 3. Decorate wreath by gluing the stickers and dove graphics around the wreath
 4. Older can braid ribbon first—punch a hole in the wreath and tie the ribbon as hanger

Materials for craft for upper levels:

Stained glass

Copy oval pattern on card stock

1 per child = DO NOT CUT OUT OVAL

3 Copies of pattern to cardstock then cut out the pattern to form a full sheet stencil:

—one stencil has the dark areas cut out

—one with the grey areas cut out

—one with the light areas cut out

Largest Oval pattern on Red cardstock

1 per child

Black sticky back gems or sequins (2)

Crystal glitter

Ribbon hanger

- Instructions: **Upper level Stained Glass effect painting**
1. Pour small amount of each paint color out on the paper plate **DO NOT CUT**
 2. Place a stencil on cardstock. Use applicator to dab in paint color and dab on stencil cut out areas to create flame (can sprinkle pinch of crystal glitter on wet paint to give a glimmer)
- LET PAINT DRY BETWEEN COLORS**
- Place 1st stencil on cardstock and dab with paint color indicated on stencil
 - Place 2nd stencil on cardstock and dab with paint color indicated on stencil
 - Place 3rd stencil on cardstock and dab with paint color indicated on stencil
3. Add gem stone eyes to the dove shape in center of flame, draw beak with marker
 4. Cut the red oval to use as frame for finished picture
 5. Tape ribbon on red oval to use for hanging = place in between red and painted
 6. Cut around oval shape on dried painted picture and glue to red oval

Make 3 copies on cardstock and cut out colored areas to be use for stencil—cut only the red out on one, only the orange on one, only the yellow on one You will need enough stencils cut out so each child can be using one—(example: if 5 children cut out 2 of each stencil)

Cut out only the darkest colored shapes

RED STENCIL

Cut out only the medium colored shapes

ORANGE STENCIL

Cut out only the lightest colored shapes

YELLOW STENCIL

Upper level– copy on white card stock

DO NOT CUT OUT until finished with all paint colors

Oval is area where stenciling will take place

Red cardstock oval

Lower level graphic—copy and cut out

Day 5 Craft—Grace of God

Throne of God

Tools needed craft for both levels

Craft Glue or elmers regular glue

Sponge makeup applicators (to apply glue)

Scissors for upper grade level

Before class Prep work

Materials for craft for lower levels: eternal crown

Plain cardstock crowns –can purchase crowns from oriental trading or use 2-3 of crown pattern cut out

Gold and silver sequins

Sequins and gem stones

Child of God or Jesus sticker / name tags / or attached graphic

Instructions: Lower level **Eternal Crown**

1. One crown per child— measure to fit child's head
2. Place the child of God sticker in the center of the crown
3. Write Childs name on sticker—or—get alphabet stickers to spell name out on crown
4. Decorate with different gem stones
5. Cover rest of crown with gold and silver sequins

Materials for craft for upper levels: eternal crown plaque

Cardstock patterns:

Square—2 Triangles—crown—strip

Gold prism paper -or- gold metallic paper

Green marble shelf paper - or -
Substitute metallic green paper

Wood grained shelf paper

3D Dots (scrapbook section) - 10 each

Sequins and gem stones

Child of God or Jesus sticker

Sturdy tape / paper clips or some sort of hanger item

Instructions: Upper level **Eternal Crown wall plaque**

1. Cut out and cover the square with wood grained shelf paper
2. Cut out and cover both triangular shapes with green paper
3. Using the 3-D dots in each corner, place the triangles onto the wood grained square
4. For the crown:
Decorate the crown with the sequins, gems, Child of God in center
Cover strip with the gold prismatic paper
Glue to bottom edge of crown
5. Using 3-D Dots on each side of crown, place crown in center of the plaque.
For a more 3D effect, instead of flat place the edges closer together, this will make the crown bow out slightly

Lower level crown pattern
2-3 per child depending on
head size

Upper Level crown pattern

Upper Level triangles

Upper Level square pattern
