Basket -- (reminds us of Jesus' temptations by the devil and our own daily temptations in life)

Cut a  $6''$  by  $\frac{1}{2}''$  strip and paste on the rim of basket. "GOD BE MERCIFUL" puzzle - - (puts us in mind of the great sacrifice God made for us - the death of His Son).

**Materials:**

lightweight cardboard or  
posterboard (6" x 9")  
crayons or markers  
scissors

Directions: Letter the face of the puzzle with the words: "God, be merciful to me a sinner". Cut apart, following lines you have drawn ahead of time. (Use the puzzle diagram located on the following page.) Help to reassemble the puzzle for the child.

Upper Level

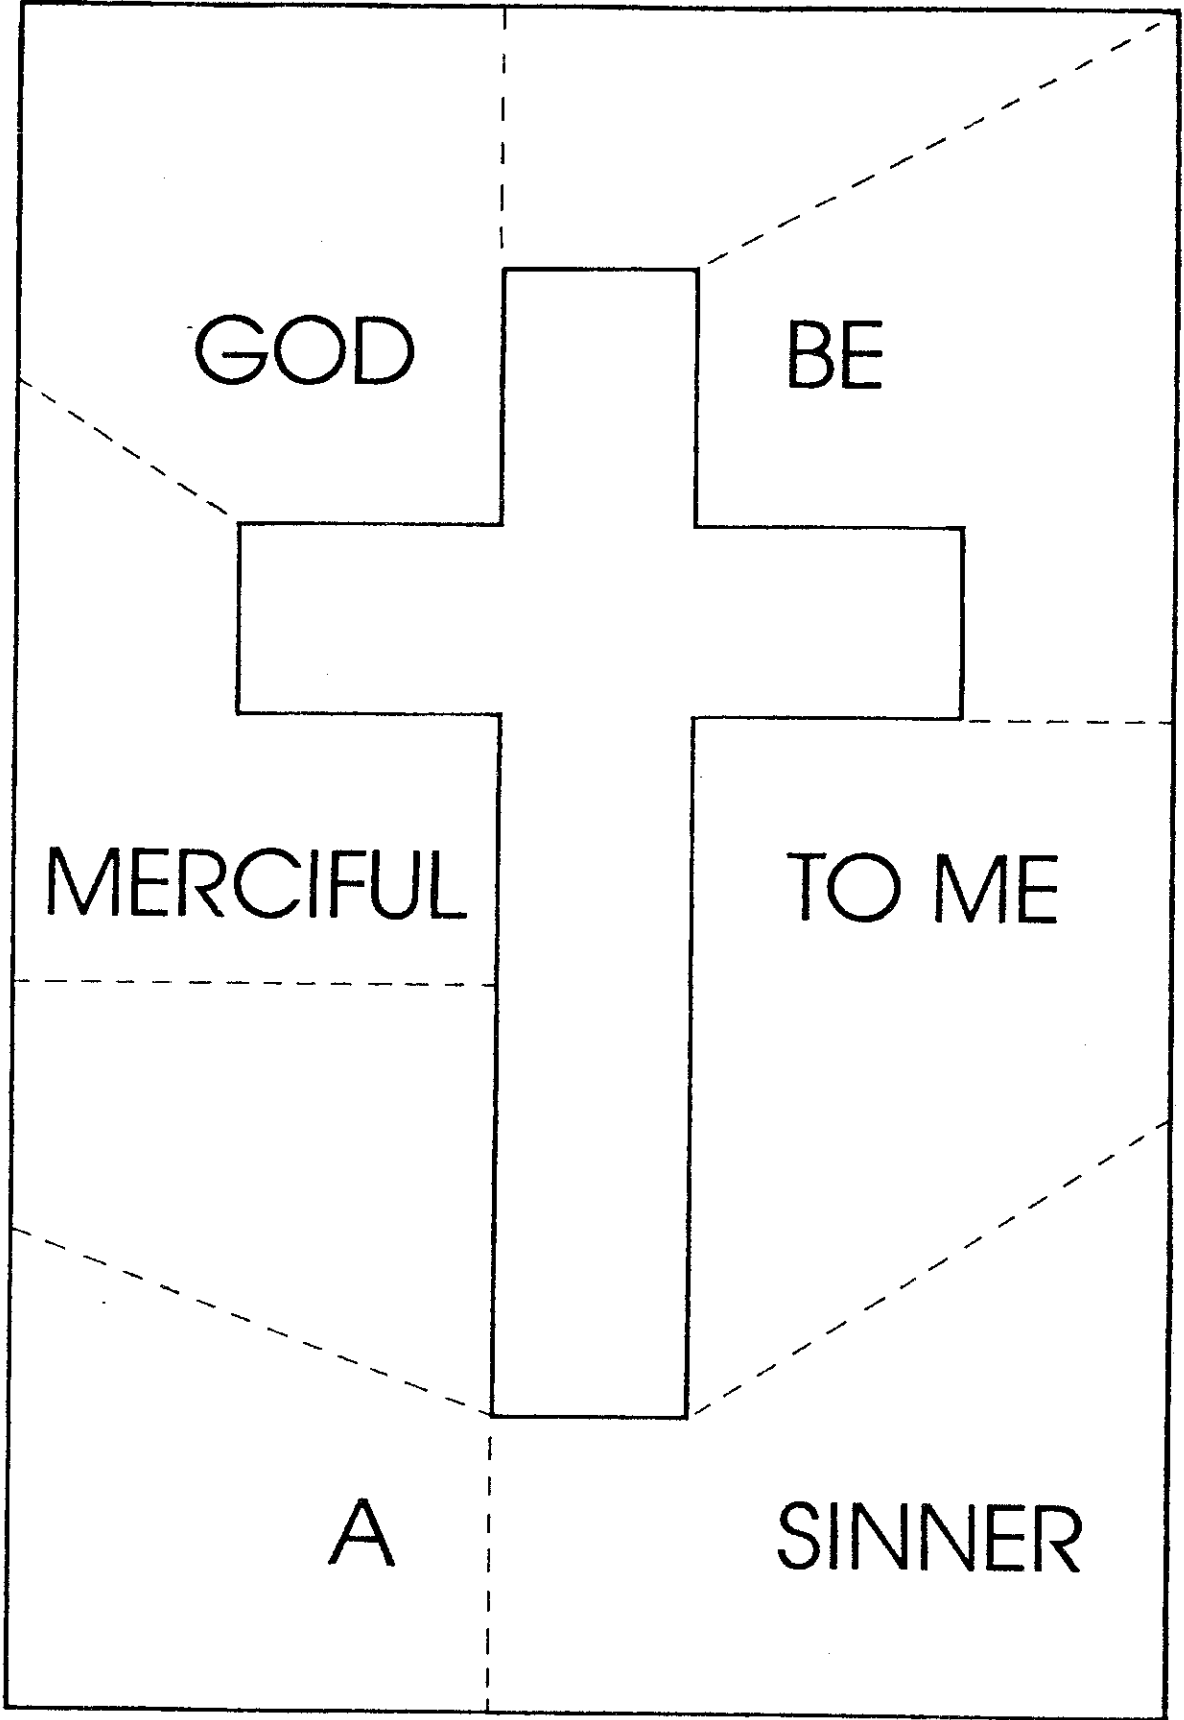

Silhouette - -

**Materials:**

posterboard  
construction paper  
transfer paper  
tracing paper  
rubber cement  
scissors  
pencils  
masking tape  
wallpaper or contact paper  
frame (optional)

Directions: Trace the pattern on tracing paper with a pencil. Lay over black or brown construction paper - slide transfer paper between. Affix masking tape to one side to hold papers in place. Trace pattern onto construction paper. (Transfer paper may be renewed for each tracing by rubbing it with chalk.) You may find it easier to cut the smaller, inside areas before cutting the larger ones. Place the cut-out silhouette in position and mark the place with several short pencil lines over the construction paper and onto the white background paper. Brush rubber cement on the back of the cut-out silhouette and on the board. Match the pencil marks as you mount the silhouette in place. Remove excess rubber cement - erase pencil marks. Assemble sheets in the following order - frame (may be made from decorated posterboard), glass (optional), mat (may be made from wallpaper or contact paper on posterboard), silhouette and backing. NOTE: this may take more than one day.
